**INSTRUCTIONS
FOR YOUR PRODUCT**

Thank you for your recent purchase of this Design Toscano hand-crafted lighting. We have taken great care to create this piece especially for you. Please review these instructions and assemble this piece with care. Do not over tighten any screw or bolt connection.

Step 1

Unscrew the bottom of the urn and take out the lamp socket.

Step 2

Screw a bulb into the lamp socket.

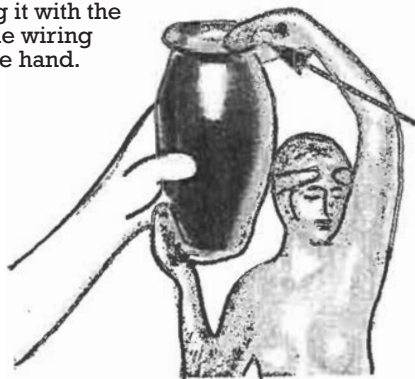

Step 3

Insert lamp socket back into the urn and then tighten the bottom screws.

Step 4

Put the urn into the top hand first (as arrow shows), lining up magnets, then move the hole in the urn bottom aligning it with the magnets and the wiring coming from the hand.

Step 5

Pull on the wiring coming out of the base to take up slack and make the urn fit tighter to the hand.
